

LAS VIRGENES UNIFIED SCHOOL DISTRICT

Child Nutrition Services
Telephone: (818) 225- 8625
Fax: (818) 224- 4953

PARENTS:

In a continuous effort to become more environmentally friendly, the Child Nutrition Department will no longer be printing menus or Balance Notification notices.

DIFFERENT OPTIONS FOR VIEWING FUTURE MENUS:

- Refer to the District's website at www.lvusd.org, under the information tab (child nutrition)
- Refer to your elementary school's website
- Refer to www.schoolmenu.com – by selecting a password / user name you can log in to your specific elementary school and view the menu. This website also has nutritional information on all the foods on the menu as well as other helpful information related to Child Nutrition Services at Las Virgenes.

FOR BALANCE INFORMATION:

- Log on to www.paypams.com and select a password / user name. You do not need to deposit money on account to view your accounts balance. Please make sure that you provide an e-mail address to receive balance notifications.

TO PAY FOR MEALS:

- Credit or debit cards by signing on to www.paypams.com . Paypams charges a nominal convenience fee to cover the cost of processing payments. It takes one to two school days for a payment to replenish your child's account at the school cafeteria.
- Check – Make checks payable to LVUSD Child Nutrition and give to the front office in the morning. The Child Nutrition Department does not accept checks for less than \$25.
- Cash – Students may pay for their meals with cash (\$3.50) as they purchase the food in the cafeteria. You may also deposit cash into your lunch account by taking it to the front office in the morning.

Students without a lunch or money to purchase lunch will receive an emergency lunch consisting of string cheese, fresh fruit and milk. A fresh fruit basket is available in the elementary school cafeterias as a courtesy to any student that wants to have a fresh fruit during lunchtime.

Please feel free to contact the Child Nutrition Office at (818) 225 – 8625 or your school's office if you have any questions or concerns. As part of the Las Virgenes Unified School District team, we will all be happy to assist you as necessary.

Thank You,
