

After School Enrichment Classes

Last Updated Tuesday, 17 August 2010

Enrichment Classes: Fall Session 2010

Registration Period: Sept. 1 - 8
To enroll follow these easy steps:

Look under the "General Info" tab for class descriptions and enrollment forms. Click on the different days of the week to see when your class is offered.

Print the enrollment form on your computer. (Note: Forms may take as long as 30 seconds to load on your screen).

Turn in your completed form and registration fee to the school by the last day of the registration period.

Classes Begin: Monday, September 13, 2010

You are enrolled in a class unless otherwise notified.

Each Enrichment Class lasts 8 weeks.

{tab=General Info}

MONDAY

Sportsmania (Basketball, Soccer, T-Ball) Grades 1-4

Classes are fun and skill development oriented, not competitive. Kids learn how to play a variety of sports. Warm-up and stretching begin each class.

Registration Form: [5StarSportsAndEnrichmentForm](#)

To sign-up on-line, go directly to the 5 star sports website using the following link: [5StarSportsAndEnrichmentOnlineForm](#)

Mad Science (Grades 1-5)

We spark imaginative learning when school is out! Our science programs are themed around a particular area of science. Children engage in exciting hands-on activities, watch spectacular demonstrations, participate in inquiry-based discussions and take home things that they have made themselves like model rockets, periscopes, Mad Science putty and more. Mad Science after-school programs offer children a chance to see just how cool science can be! You can find more information about this session's™ projects on our registration form.

Lego Animation (Grades 1-5)

Ready to take your fascination with Legos to the next level? Bring in your favorite Legos, or use ours to create amazing movies. The ideas will be yours, the sets will be built by you, and you will operate all the equipment to bring your masterpiece to the big screen. Whether it's a re-creation of an epic pirate battle scene, or an adventure in another galaxy, this class is the ultimate place to play with Legos. All movies will be professionally edited and available to view and download.

To sign-up on-line, go directly to the 5 star sports website using the following link: [5StarSportsAndEnrichmentOnlineForm](#)

Chorus (Grades 1-5)

Does your child love to sing? Join the YB chorus. Your child will learn voice production, harmony, diction, listening and blending skills and have fun preparing for our show.

Registration Form: [ChorusForm](#)

Clay Class (Grades 1-5)

In this class, students will make a glowing skull, a butter dish, a holiday ornament and a creation of their imagination. Techniques such as coiling, pinching, and slab building will be covered. Once painted and fired, your child's artwork will spring to life from our kilns to your home. Halloween will be scary, Thanksgiving mashed potatoes will be buttery and imaginations will soar to the uniqueness of your child's creativity!

Registration Form: [ClayClassForm](#)

WEDNESDAY

Basketball (Grades 1-5)

Kids will learn and reinforce a variety of basketball skills, based on the age and skill level of the group. This will help prepare them for playing Recreational Basketball for fun, leagues, etc. Skill taught include: dribbling, passing, shooting, offense, defense and teamwork. Warm-up and stretching will begin the class.

NEW "Lango Kids Spanish (Grades 1-3)

Lango is a dynamic world language program focusing on Spanish and led by a native speaker. Class is 100a Spanish immersion and incorporates, games, art, story time, music and dance.

Registration Form: LangoKidsSpanishForm

YB Band - Grades 4 & 5 (Sept. - May, sign-ups in Sept. only).

The band program at Yerba Buena Elementary School is open to students in grades 4 and 5 who want to learn to play a band instrument. Instruction will be provided to students on their choice of standard band instruments, which are flute, clarinet, saxophone, trumpet, trombone, baritone and percussion (drums or bells). Students will be taught to play their instrument and to perform together with other student musicians.

Registration Form: YBBandForm

Woodshop (Grades 1-5)

Every session begins a new and exciting woodshop project. Students learn about tools, design and assembly. Woodshop is fun, rewarding and educational. Participants take pride in creating something out of wood. During the process they are both learning and having fun. We teach basic woodshop skills with a focus on safety. Children learn how to saw, glue, measure, drill, nail, follow directions, think for themselves and design. Everyone remembers woodshop! You can find more information about this session's projects on our registration form.

Registration Form: WoodshopForm

THURSDAY

Soccer (Grades 1-3)

Kids will have fun while they learn and reinforce a variety of soccer skills. This will prepare them for playing in recreational leagues. Skills taught include dribbling, passing, shooting, offense, defense and teamwork. Benefits include developing/enhancing movement skills, eye-foot coordination, self-confidence, learning teamwork and improving concentration.

Drawing (Grades 1-5)

Young Rembrandts teaches children how to draw using an engaging method that all children can succeed with. We learn about drawing and art while developing academic, conceptual, and critical thinking skills. Our artists can expect to draw a new exciting lesson every class, learn true artist concepts in art, drawing and color techniques.

Registration Form: DrawingClassForm

Hip-Hop Class for Boys and Girls (Grades 1-5)

Get ready to dance to your favorite pop music sensation. Each class will begin with a warm up, followed by learning hip hop routines that will be performed at the culmination of the session. During the dance workshop, each student will strengthen their confidence and performance skills, in an environment that encourages them to explore, develop and share their talents and imagination.

Registration Form: HipHopClassForm

FRIDAY

NEW - Tap Dance for Boys and Girls

Tap Class is a fun rhythmic exercise and dance form. Rooted in Scottish, Irish and African-American History, tap offers a variety of styles and techniques. The classes stress the basics of tap and rhythm, using fun and improvisational game skills and combinations which will culminate in a performance.

Registration Form: TapClassForm

Tennis (Kindergarten), (Grades 1-4)

Kids will learn the fundamental skills of tennis. At YB, staff utilizes portable nets, and downsized racquets. Tennis skills that will be taught include grips, forehand, backhand, serving, return of serve, volleys, footwork, rules and scoring. The skills taught will be based on the level of the group.
